Glenmorangie Nectar D'Or - £18

Matured for a decade in ex-bourbon casks and finished for two years in Sauternes barriques from France.

Ginger, Nutmeg, Honeycomb

#BEYONDTHECASK

Glenmorangie Original is matured for ten years in the finest ex-bourbon casks - only ever used twice - to provide the whisky with a rounder, smoother taste. Glenmorangie was inspired to bring new life to these casks, by creating a series of limited edition wooden surfboards made from the former casks.
