The numbers 000/00 refer to the size of the cigar, first by lengthring gauge.

The length is measured in millimetres,

Whereas the ring gauge is measured in units of 1/64th of an inch.

All boxes of havanas officially imported to the UK carry a colour-coded

English Market Selection (“EMS”) label which enables the member

to determine the year in which h duty was paid on the cigar.

It is illegal to sell tobacco to anyone under the age of 18.

WARNING: The use of tobacco can cause fatal disease and health issues.
